NOTE: It must be fully understood that the Dog must NOT be kept outside, No dog homed by us will be left alone for long periods of time, All dogs homed by us will live indoor as an integral member of the family. They must not be used for guarding, hunting, breeding or any commercial purpose, We will require a vet reference as proof of neutering if a dog was too young to be neutered at the time of adoption. All dogs will be exercised regularly

Dogs homed by us must be returned to us in the unfortunate circumstances that the adoptive family can no longer keep them.

We offer our dog's lifetime back up.

We require a minimum donation of £200 to help us recover some of the cost of housing, feeding, neutering, vaccination, micro- chipping & veterinary attention.

Kind Regards
